

# CORPORATE EVENTS

## CORPORATE SCIENCE

Are you looking for an event with a difference? Glasgow Science Centre not only offers a spectacular setting, but real live science experiences to liven up your event. Read on to see what we can offer to blow your guests away.

### SCIENCE ON THE SPOT | 1 HOUR

200 Guests | £200

350 Guests | £300

Enjoy science up close through a stunning set of engaging demonstrations that will spark a unique experience! Interactive, electrifying and full of wonder, your guests will love being so close to the action they can reach out and touch it.

### FIRE AND ICE | 1 HOUR

200 Guests | £200

350 Guests | £450

Mesmerize your audience with an exciting cocktail of the hottest and coolest experiments on offer. These are extreme science demonstrations that will set your event alight and deliver stylish impact.

### TRY SCIENCE | 1 HOUR

50 Guests | £120

120 Guests | £200

200 Guests | £300

Experience real life science and engineering by getting hands-on with kit that will allow your guests to program robots, wire-up electronic circuits or even get creative with laser cutting.

### AFTER DARK | 1 HOUR

200 Guests | £135

350 Guests | £270

Explore science through exclusive access to an incredible range of interactive exhibits with a friendly, expert team on hand to facilitate curiosity.

### ACROSS THE UNIVERSE | 45 MINS

120 Guests\* | £145

Take the most extraordinary journey of your life through the Universe with live narration from the fully trained sky pilots at the amazing full-dome digital Planetarium. Give us a call to plan your itinerary for a truly stellar voyage that will leave a lasting impression on your guests.

\*maximum Planetarium capacity: 120 guests

We're committed to giving you and your guests an out of this world experience. If you have particular requirements (or an idea for a science show you'd like to see!) then give us a call on **0141 420 5008** and our team will be happy to help.
