

# BodyWorks Explorer

## Treasure Hunt

Warning....Treasure Hunts have just got seriously sexy! Using our unique Mobile Adventures App and the latest iPad mini, our BodyWorks Explorer takes you on an interactive tour around this fascinating exhibition at Glasgow Science Centre, enabling you to enjoy a fun event with your colleagues and friends while learning amazing facts about the human body.

The challenge is to navigate around the BodyWorks exhibition, locating the 'hotspots', cracking clues, completing tasks and earning as many points as possible.

Once you are in the right location, you can activate the 'hotspot' on screen and attempt the question, photo or video task. A live scoreboard, penalty points for incorrect answers and exciting timed challenges add a real time competitive twist to this game .

BodyWorks Explorer is the perfect way to experience this wonderful attraction in an interesting, innovative and fun way!
