SHARE YOUR **SPOOKTACULAR** EXPERIENCE WITH US

AND WE’LL SEE YOU NEXT YEAR!

**SPOOKTACULAR**

HALLOWEEN PARTY

Glasgow Science Centre is a registered charity SC030809
Welcome to the biggest and best family Spooktacular in Scotland (maybe even the world!). Be prepared for frightful fun and devilish delights for your whole troupe of ghouls and goblins.

From science shows to planetarium marvels, drop-in experiences to our very own Monster Mash, we have every age group catered for. Some of our experiences are better for the slightly older ghosties, so please check out our recommendations in this guide to make sure you all have the best possible time tonight.

We have snacks galore in our café on the ground floor to make sure you're all ready, refueled and raring to go so pop along for some tasty tricks, or treats.

Thank you for being part of our party! Please share your family snaps with us on social, we love to see your smiling faces on our feed.
