THE MENU

We know that catering is a core element of any event's success, which is why providing delicious, high-quality food is one of our top priorities.

Aligned with our sustainability vision, our catering team works hard to source local ingredients from a variety of Glaswegian, Scottish, and UK suppliers, reducing 'food miles' while enhancing the taste and freshness of every ingredient.

The IMAX Day Delegate Rate Package will be catered for based on a seasonal menu curated by our Head Chef, with a focus on locally sourced, in-season produce.

Please speak to your Event Manager to discover our current seasonal options.

DID YOU KNOW?

Every event held at Glasgow Science Centre contributes to our charitable mission to inspire everyone to explore and understand the world around them, and to discover and enjoy science.
