

## IMAX Blockbusters

### EPiC - Elvis Presley in Concert

Rated PG | Until 8 March

This is more than a concert film. It is EPiC: Elvis Presley in Concert.

Elvis sings and tells his story like never before in a new cinematic experience from visionary filmmaker Baz Luhrmann.

### The Revenant – 10th Anniversary

Rated 15 | 18 March

Don't miss Leonardo DiCaprio's Academy Award-winning performance in The Revenant.

This truly stunning modern masterpiece is celebrating ten years and is unmissable on Scotland's largest screen.

### Project Hail Mary

Rated 12A | 14–28 March

Some missions call for a really big screen and this is one of them!

Filmed for IMAX and based on Andy Weir's novel of the same name, Project Hail Mary is an exhilarating space adventure set in the near future.

## SCOTLAND'S BIGGEST SCREEN

The IMAX Theatre at Glasgow Science Centre is an independent cinema operated by the science centre showing stunning and unique IMAX 3D mini-blockbusters, plus immersive full-length feature films that'll have you on the edge of your seat.

The IMAX screen at Glasgow Science Centre measures 80 feet (24 m) wide by 60 feet (18 m) tall. It is the biggest cinema screen in Scotland and 3rd largest by screen size in the UK.
